

Prayer Cube

We can pray to God any time we want: when we are worried, when we are sad, when we are happy, when we are thankful, or just when we feel like saying "Hi!" to God! But we make a habit of praying at dinner so that we can thank God for the food we eat and the energy it gives our bodies to play and work and live. We also say thank you to God for food to remember that having yummy food for dinner is a blessing!

Here are 7 prayers that are commonly said at dinner tables. Pick some that your family likes, or add your own, and put them on the prayer cube. When you sit down for dinner, roll the prayer cube to see which prayer your family will sing or say that evening.

Humble Hearts

In a world where so many are hungry,
May we eat this food with humble hearts;
In a world where so many are lonely,
May we share this friendship with joyful
hearts.
Amen.
