The value of your gift will be the average of the high and the low trading prices on the date we receive your gift. The date of the gift is the day Bethlehem receives ownership of the security.

Benefits

Your gift may provide you with federal and state income tax benefits:

- If you itemize deductions on your federal income tax return, you may be able to deduct your contribution to Bethlehem from your adjusted gross income. In addition, gifts of appreciated property avoid long-term capital gains tax. Check with your tax advisor for deduction and capital gains tax requirements and limitations for your situation.
- Your state may also allow a credit or deduction so you should ask your tax advisor.
